HEALTH & SAFETY Overture has established a Health and Safety Fee to cover the additional costs associated with events and activities during the COVID-19 pandemic. This fee covers additional staff and labor; additional cleaning, sanitization and health supplies; higher utility costs related to increasing outside air flow to the air handling system; upgraded filters; and additional maintenance and disinfecting of the air handling systems and ducts. The surcharge will be evaluated periodically and any modifications resulting in a fee reduction will be reflected on your final invoice.

“The Overture Center far exceeded our expectations. Our wedding reception was absolutely beautiful! The staff at Overture went above and beyond from the initial planning to the time the reception was over. They were attentive, helpful, and so wonderful to work with. We would highly recommend the Overture Center!”
